

Notes from Beenham Parish Council meeting held on Monday 1st June 2026

Public Forum

Parishioner shared that they had received letter from Thames Water regarding repairs being conducted from June 2026. They have contacted the local MP, the District Councillor and also the project engineer for Streetworks and advised how highly disruptive this would be also in emergencies due to the length of time the repairs will take to conduct. Clerk to contact MP, Project engineer and Thames Water to try and get their attendance at the next Council meeting.
